

COME CREATE A CAFE IN SIQUIJOR

LATE MARCH 2027 | ONE WEEK | SIQUIJOR, PHILIPPINES

We begin with joy. People meet. Each person brings something.
From those connections, new projects can grow.

FIRST

Enjoy creating the cafe together.

In late March 2027, a small team will gather in Siquijor to run the cafe together for one week. We will not come only as guests. We will become the first co-creators.

BRING WHAT YOU ENJOY

- Food and coffee
- Hospitality and conversation
- Music and events
- Photography and video
- Design and making
- Translation and technology
- Or simply curiosity

THEN

Let the next project grow from connection.

We will listen to local people, travelers, Pastor Dennis and the people who join us. Together we may discover a next project for children, community welfare, education, work, or another need rooted in Siquijor.

WE DO NOT DECIDE EVERYTHING FIRST

The people we meet will help shape what comes next. If a new project is born, people around the world may join through skills, travel, storytelling and crowdfunding.
